1. All work shall be done in a workmanlike manner, and the right-of-way left in a condition satisfactory to the County Commissioners. No structures allowed on county right-of-way. All cable/pipeline must be buried 4 feet deep in county right-of-way.
2. The Owner shall hold the County harmless from any damage that may result to said roadway because of the construction or maintenance of said cable or wire and also safeguard and protect adjacent property.
3. The County will assume no responsibility for damage to cable or wire occasioned by the County construction or maintenance operations.
4. The County will give the owner sufficient notice of any proposed construction or maintenance work that is likely to expose lines in order that Owner can arrange to protect the service and avoid damage.
5. The County will be furnished a map showing location of cables and wires. If a utility crosses the road, a marker must be placed at the right-of-way line.
6. Cost of Right of Way Occupancy is \$500 per mile and \$25 per crossing. Make check payable to Red Willow County Treasurer.

### Digging and Trenching:

It is the responsibility of the owner to preserve any and all government corners within the construction area. The owner will contact the County Surveyor to provide him with location and schedule. If records indicate that a government corner exists, the owner will be responsible for all costs associated with preserving the corner.

### Signing:

The Owner will be responsible to provide and maintain all signs during construction. All signage will be in accordance with the newest version of the Manual of Uniform Traffic Control Devices.
