- (1) Use of Additional Sales Tax. Revenues generated by the additional one-half of one percent (0.50%) shall be used to pay the costs to construct, acquire, improve, furnish, and equip public infrastructure projects, which shall include swimming pool and ballpark facilities.
- (2) Expiration of Tax Rate Change. The increased sales and use tax rate will be implemented and related revenues collected beginning as soon as practicable after voter approval and continuing for a period of ten (10) years, unless bonds are issued with some or all of the additional revenues pledged for payment of such bonds, in which case the increased sales and use tax rate will remain in effect and additional revenues will be collected until payment in full of such bonds and any refunding bonds  
Interlocal Agreement. The City of McCook and Red Willow County School District 0017 have entered into an Interlocal Agreement for the long-term development of unified governance of public infrastructure projects in the City. Additional revenue collected from the additional one-half percent (0.5%) sales and use tax will not be used for the purposes of such Interlocal Agreement, but will be used for the public infrastructure projects of the City of McCook as described above.
